Member entry 7.30 am onwards Auction 10:30 onwards

Balmarino / Nightmarch Rooms,

Members Stand, next to the Riccarton Park Function Centre

165 Racecourse Road

Riccarton Park, Christchurch

Auction, Militaria Displays, and sales tables of military and firearm related items

For all enquiries relating to the auction please contact:

Auction Convenor: Hugh Wallace

Email: canterburyauction2023@outlook.com

Welcome to the September Canterbury Branch Auction in which we offer a selection of firearms, firearms accessories, and militaria. We are happy to announce that **the auction buyer premium is 5%, one of the lowest in the country!** We have also done our best to include photographs of all items in this auction to support postal bidding. Conducting the auction on our behalf is Registered Auctioneer Graeme Barber.

In addition to the auction there will be vendor tables selling additional items and display tables.

Sales Tables

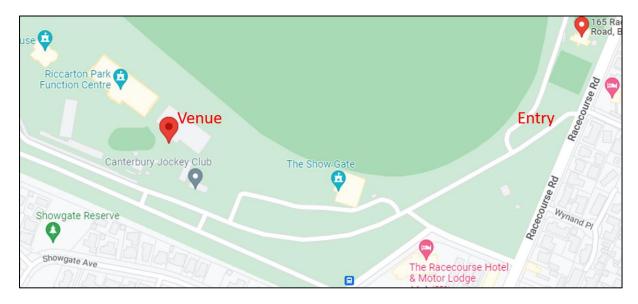

If you are interested in having a vendor or display table please contact the auction convenor prior to Wednesday September 27th, 2023 to confirm availability (failing to confirm may result in being unable to sell). There is no charge for vendor or display tables, however as a free resource provided by the club it is expected that you will cooperate with event staff, others, and share a table with another vendor or move if requested. Vendors must set up their tables the morning of the auction. Vendor setup starts at 07:30 am.

There is no club sales table this year.

Location

The venue is the Member's Stand next to the Riccarton Park Function Centre at 165 Racecourse Road. Entry is via the main gates on Racecourse Road, 100m south of the bowling club.

https://goo.gl/maps/KNcMzPCkbi5yRfZp9

Entry and Registration

Registration and viewing starts at 7.30am. The auction will commence at 10:30 am. A one hour break will be taken after lot 150 approx.

\$10.00 entry fee applies to EVERYONE over the age of 18 entering the auction.

There will be food and beverages available for purchase from the venue beginning at 9:30am.

All buyers **MUST** be a current NZAHAA member or a member of an invited kindred club. The organisers reserve the right to refuse admittance to any individual.

Conditions of Sale

Although every effort has been made to describe each lot accurately, no warranty is given and we strongly recommend visual inspections. Neither the Auctioneer, NZ Antique & Historical Arms Association, Canterbury Branch Inc, or the vendor is responsible for the accuracy of description, authenticity of any item, or faults in any lot. All lots are sold as collector's items only and are not sold as suitable for any other purpose. We do not accept any responsibility if items are not in working order, and no internal inspection or tests of mechanisms has been made. All purchases are strictly caveat emptor.

Collectable Items and Militaria

Due to the large number of reproductions, including some apparently made from "original" moulds and dies, no guarantee of authenticity can be given.

While items are catalogued with care, all purchasers, including postal bidders, must satisfy themselves as to the authenticity of any lot.

Payment & Buyers Premium

The buyer's premium has been reduced to 5% and is payable on all purchases on the Hammer Price for items purchased through the auction (incl. postal bids) as well as on the realised price of items sold from passed in items. Buyers (including those bidding on behalf of others) are entering into a binding agreement to complete the purchase upon the fall of the auctioneer's hammer and are personally responsible for the payment for all items they have bid on. Bidders attending the auction will be required to pay for their purchases (including fees) during or at the conclusion of the auction by cash, EFTPOS or credit card.

In-person buyers will only be issued with a receipt to collect their items if they have made full payment (hammer price + premiums and fees) through the club. Paying the owner of the item directly will not result in release of won items.

All lots become the responsibility of the purchaser at the fall of the hammer and the Canterbury Branch of NZAHAA Inc takes no responsibility for any loss or damage incurred after that time.

Please note: There is a 1.85% surcharge imposed by the venue on all payments made by Credit Card and EFT-POS transactions at the venue.

If paying partially in cash and partially by credit or eftpos, amount owed will be calculated based on a solely credit/EFT-POS sale.

We do not accept Cheques.

Buyer's procedure for items not requiring licenses for possession

- 1. Pay for items from auction front desk and receive receipt confirming payment.
- 2. Take receipt to "Purchased Item Pickup" area to the left of the auction podium.
- 3. Present receipt to auction pickers for item retrieval.
- 4. When leaving the premises, show your receipt and items to security.

Buyer's procedure for A-Category firearms and controlled items

- 1. Pay for items from auction front desk and receive receipt confirming payment.
- 2. Take receipt to "Purchased Item Pickup" area to the left of the auction podium.
- 3. Present receipt to auction pickers for item retrieval.
- 4. When leaving the premises, show your receipt and items to security.
 - a. Firearms may have to be wrapped prior to leaving the premises to avoid alarming the public.
- 5. Note: All firearms in this auction are registered. You will need to transfer your A-category firearms from the seller in a timely manner following purchase.

Buyer's procedure for Endorsed firearms

- 1. Pay for items from auction front desk and receive receipt confirming payment.
- 2. Take receipt to "Endorsed Items Transfers" area to the left of the auction podium.
- 3. Present receipt to on-site Police Arms Officer and begin endorsed item transfer paperwork.
 - a. Arms officer will pass your invoice to pickers for item retrieval.
- 4. Complete the transfer onto your licence.
- 5. When leaving the premises, show your receipt for payment and any relevant Permits to Possess to security.
 - a. Firearms may have to be wrapped prior to leaving the premises to avoid alarming the public.

Buyer's procedure for Sales Table items

- 1. Seller provides receipt for purchased items.
- 2. When leaving the premises, show your receipt and items to security.
 - a. Firearms may have to be wrapped prior to leaving the premises to avoid alarming the public.

Withdrawn Items

Unsold items from the auction will be placed on a separate Withdrawn Items table. Once an item has been withdrawn, a buyer may purchase an item at the vendor's reserve price or reach an agreed price with the seller.

To purchase a withdrawn item, the withdrawn table staff will provide the buyer with a signed invoice listing the buyer's registration number, item lot number and the selling price. The buyer will take the invoice to the auction front desk for payment and receipt. Payment includes the above auction fees and surcharges. Following payment the buyer will be allowed to pick up the item from the withdrawn table following processes listed above.

Payment for withdrawn items must be made via the auction front desk. Paying the owner of the item directly will not result in release of won items.

Auction Item Photographs

Most lots may be viewed online at the following hosting site. For best viewing it is recommended that you view via a computer rather than from a cell phone. Click on individual images to view full size. If files appear as a list of names rather than small images, select the grid layout ($\stackrel{\blacksquare}{\blacksquare}$) button in the top right corner of the screen.
